The selection process is divided into three sessions:

<table>
<thead>
<tr>
<th>Session</th>
<th>Start registration selection</th>
<th>End of registration for selection</th>
<th>Publication of the rankings</th>
<th>Deadline for the completion of enrolment</th>
</tr>
</thead>
<tbody>
<tr>
<td>I</td>
<td>10 May 2018</td>
<td>20 July 2018, at 12.00 pm</td>
<td>26 July 2018</td>
<td>2 August 2018</td>
</tr>
<tr>
<td>II</td>
<td>3 August 2018</td>
<td>10 September 2018, at 12.00 pm</td>
<td>17 September 2018</td>
<td>21 September 2018</td>
</tr>
<tr>
<td>III</td>
<td>24 September 2018</td>
<td>5 October 2018, at 12.00 pm</td>
<td>12 October 2018</td>
<td>18 October 2018</td>
</tr>
</tbody>
</table>

The second and third sessions will be held after the end of the first enrolment period if any places remain.

1. **Register at www.studenti.unipi.it (Alice portal)**
   To register, you must enter personal data when requested throughout the procedure. Follow the instructions and at the end of the procedure you will receive a user name and you must choose a password. As well as entering personal data, in order to be registered for the admission exam you must go into your personal area and click on ‘Enrolment for Admission Exams’.

   **Start registration**

   If you are already a student of the University of Pisa you must access the Alice portal using the user name and password you normally use for online services at the University of Pisa, and click on ‘Enrolment for Admission Exams’.

2. **Select the admission test**
   You can enrol immediately after having completed the registration process: in which case you only need to follow the instructions provided at the final phase of registration. If you would like to enrol at another time, you must enter the Alice Portal using the username and password provided at the end of registration and choose the menu item “Enrolment for Admission Test”. At the end of the process, the system will produce a receipt, identifiable by a unique number, which is the only document confirming the successful registration.

   Remember that you must take the test before 12:00 pm on the day of the deadline indicated in the notice. The registration is valid only for one session and can be repeated for any following sessions. You are allowed to participate in the second and/or the third, even candidates from the first or second sessions.

3. **Print the individual electronic invoice (MAV) for the admission test fee**
   At the end of the registration process you can print the individual electronic invoice (MAV) for the admission test fee (10 euros) which must be paid within the **deadline for registration for selection** as shown in the table. It can be paid at any bank.

   You can find all information in the section “Adm. Test Fees”
**REMEMBER** that according to the admission exam announcement “a student who has not paid for the admission exam fee, or whose payment has not yet been completed by the given deadline, will not be able to take the admission exam”. Do keep in mind that, sometimes, payments made via home banking may not be completed on the same day in which the transaction has taken place. In order to avoid the risk of being excluded from taking the exam, we advise you to pay directly at a bank specially when in close proximity to the deadline.

The fee paid for an admission test session permits participation in the other sessions: you must repeat the registration process for that session.

4. **take the TOLC-I test**

Register for the TOLC-I test and sit the test on the day and at the time selected, following the procedure and calendar published on the [CISIA website](http://cisia.unipi.it), **before 24:00 on the deadline for each session**.

For the purposes of this announcement, the TOLC-I is valid as of February 2018.

Remember that you can take it several times (maximum one per calendar month). In case of more than one TOLC-I tests taken, the one with the highest score will be taken into consideration in the Mathematics section.

For participation in the third session, the Internal Telematic Test (TIT) of the School of Engineering of the University of Pisa, which will take place on the 24 September 2018, can also be applied. The registration procedures and further information are published on the [website of School of Engineering](http://www.unipi.it/ingegneria).
