Bachelor’s degree programme in CHEMISTRY FOR INDUSTRY AND ENVIRONMENT (L-27)
ONLINE REGISTRATION FOR SELECTION

1. Register at www.studenti.unipi.it (Alice portal)
To register, you must enter personal data when requested throughout the procedure. Follow the instructions and at the end of the procedure you will receive a user name and you must choose a password. As well as entering personal data, in order to be registered for the admission exam you must go into your personal area and click on ‘Enrolment for Admission Exams’.

Start registration
If you are already a student of the University of Pisa you must access the Alice portal using the user name and password you normally use for online services at the University of Pisa, and click on ‘Enrolment for Admission Exams’.

2. Select the admission exam
You can enrol immediately after having completed the registration process, until the 22nd December 2018: in which case you only need to follow the instructions provided at the final phase of registration. If you would like to enrol at another time, you must enter the Alice Portal using the username and password provided at the end of registration and choose the menu item “Enrolment for Admission Exams”.
At the end of the process, the system will produce a receipt, identifiable by a unique number, which is the only document confirming the successful registration.

3. Enrolment procedure
The first ranking is published on July 26, 2018 on the site https://matricolandosi.unipi.it/concorsi/ section "Rankings"
If successful, you must complete enrolment within the 26th July to 2nd of August following the instructions in the Enrolment guide and failure to meet the deadline will result in the loss of ability to enrol. You will not receive any personal communication; therefore you are required to ensure you are have completed the necessary steps.
The list of replacement candidates in the updated ranking following renunciation or forfeiture of candidates, including the new candidates enrolled in the selection, is published on the website https://matricolandosi.unipi.it/concorsi/ section "Graduatorie" according to the following calendar, in which the relative deadlines are indicated within which the replacement candidates must complete enrolment, the penalty of forfeiture applies.

</table>

If by the 24th September 2018, there are still some vacancies, these will be made public on the website http://matricolandosi.unipi.it/chimica/ for an additional enrolment period.
4. **Evaluation of initial preparation**

For the purpose of evaluating the initial preparation and therefore of the assignment of any Additional Academic Obligations (Obblighi Formativi Aggiuntivi-OFA), all enrolled students must take the TOLC-I test. The compulsory and non-selective test can be taken either before enrolment or after. The dates, locations and details about the test are available at [www.cisiaonline.it/](http://www.cisiaonline.it/) and on [https://www.dcci.unipi.it/didattica-web.html](https://www.dcci.unipi.it/didattica-web.html). The procedure for assigning OFA, as well as obligations, pre-requisites and exam recovery methods will be indicated in the "Regulation for the retrieval of Additional Academic Obligations" [www.dcci.unipi.it/test-di-autovalutation.html](http://www.dcci.unipi.it/test-di-autovalutation.html).
