Bachelor Degree programmes in Biotechnology (L-2) and Biological Sciences (L-13)

ONLINE REGISTRATION FOR SELECTION

1. **Register on the online portal Alice (www.studenti.unipi.it)**
   To register, you must enter personal data when requested during the procedure. Follow the instructions and at the end of the procedure you will receive a user name and you have to choose a password. As well as entering personal data, in order to be registered for the admission exam you have to go into your personal area and click on ‘Enrolment for Admission Exams’.

   [Start the registration](#)

   If you already are a student of the University of Pisa you must access the Alice portal using the user name and password you normally use for online services at the University of Pisa, and click on ‘Enrolment for Admission Exams’.

2. **Select the admission test**
   You can enrol immediately after having completed the registration process: in which case you only need to follow the instructions provided at the final phase of registration. If you would like to enrol at another time, you must enter the Alice Portal using the username and password provided at the end of registration and choose the menu item “Segreteria” and then “Iscrizione concorsi”.

   Please note that you can register to the selection until 12.00 am of the 6 August 2019.

3. **Print the Mav**
   At the end of the procedure you can print the test fee of 30 euros to pay by the 6 August 2019.

   You can find detailed information in the section “Tassa di concorso”.

   Please note: according to the call, the candidate that has not paid the test fee before the deadline, will be excluded from the admission exam.
