- up to 5 points for candidates having passed the exam of Economics (*Principles of Economics and Management*) with a grade equal or more than 27/30 within the Foundation Course programme provided by the University of Pisa.

The youngest candidate shall prevail in the event of equal rankings.

The ranking list will be published at <http://alboufficiale.unipi.it> and <https://matricoladosi.unipi.it/immatricolazioni/management-for-business-and-economics/>

Successful candidates will not receive any personal communication of the ranking list publication.

The third session ranking list will close at the enrolment deadline that will be established for the academic year 2023/2024. No ranking list replacement will follow after that date.

Candidates in an eligible position in the ranking list but not assigned with a place will not gain any right to enroll in the Bachelor's Degree Course in the following academic years.

Successful candidates shall notify their intention to accept the place offered. No place acceptance will be admitted after the above scheduled deadlines. Place acceptance procedure will be published together with the ranking list.

ENROLLMENT

DEADLINES

Successful candidates shall enroll by the mandatory date, which is published together with the ranking list at <https://matricoladosi.unipi.it/immatricolazioni/management-for-business-and-economics/>

For the rankings related to the first and second session selection for non-EU citizens residing abroad applying for a student VISA and the second and third session selection for EU and EU-equated citizens, the list of successors by scrolling the rankings, in the event of waives or disqualifications of the winners, and the mandatory enrolment deadline, under the penalty of losing the right, will be published at <https://matricoladosi.unipi.it/immatricolazioni/management-for-business-and-economics/>

The procedures for completing enrolment are published together with the ranking.

No personal written communication shall be provided to applicants concerning results.

Successful candidates in the process of graduating in other Degree Programmes are allowed to tentatively enrol following the above schedule. In this event, their enrolment shall be by the enrolment deadline that will be established for the academic year 2023/2024.

GRANTS

To enhance the number and quality of international students, University of Pisa offers 24 merit-based grants to 24 best international students (only non-EU citizens residing abroad applying for a student VISA), attending the first session, who will enrol for the academic year 2023/2024 to degree courses in English.

Each grant foresees:

- First academic year: € 6,500 (gross beneficiary) and exemption from tuition fees (except the € 140 regional tax and the € 16 revenue stamp)
- Second and third academic year: € 8,000 (net) and a 50% discount of tuition fees, if the student achieved a minimum of 36 CFU/ECTS (I year) and a minimum of 96 CFU/ECTS (II year) with a grade point average of at least 25/30.

Grants will be allocated according to a single ranking drawn up by a specifically appointed Committee that, for the Management for Business and Economics degree course, will assess candidates according to the following criteria:

- admission ranking score
- final grade of the secondary school diploma converted in the CGPA value (Cumulative Grade Point Average);
- results of the interview;
- country of origin of the candidate, giving priority to the economically most disadvantaged countries.

Students do not have to apply specifically. The first five international students (non-EU citizens residing abroad applying for a student VISA) admitted with the first session to the Bachelor's Degree in Management for Business and Economics will be interviewed by a special commission of the course of study and will therefore be eligible for the grant. The calendar and procedures for conducting the interviews for the first five candidates admitted to the degree course with the first session will be published together with the ranking. A commission from the University of Pisa will evaluate all students admitted to the University's English degree courses and will choose the best 24 to whom the grant will be awarded.

Grants will be allocated before the enrolment, to allow non-EU citizens applying for VISA proving their means of subsistence to the relevant Italian diplomatic representatives in the pre-enrolment phase.

Grants will be allocated only to international students taking part in the first session, and NOT to those taking part in the subsequent sessions. Further information at <https://www.unipi.it/index.php/iscriversi-all-universita-di-pisa/item/6003-borse-di-studio-per-merito-di-unipi>

ADDITIONAL LEARNING REQUIREMENTS (OBBLIGHI FORMATIVI AGGIUNTIVI - OFA)

The assignment of additional training obligations (OFA) foresees that:

- Applicants that obtained a score under 14 in the English Language Section of TOLC-E in Italian Language are required to pass an English Language exam (6 CFU/ECTS) before any other degree programme exam (OFA1).
- Applicants that obtained a score ranging between 14 and 17 in the English Language Section of TOLC-E in Italian Language are required to pass an English Language exam (6 CFU/ECTS) by the examwinter session of their first year of programme degree before any other degree programme exam (OFA1).
- TOLC-E in English Language, SAT/GMAT or ACT do not require OFA1, regardless of the score.
- Applicants that obtained a total final ranking score less than 11,5 have to satisfy a further Additional Learning Requirement (OFA2) passing the exam "Principles of Mathematics" (1 CFU/ECTS) or one of the scheduled recovery tests specified for Additional Learning Requirements (ENGLISH TOLC-E) with a score equal or greater than 11,5 by the summer exam session of their first year programme degree; if not, they are not allowed to take any of subsequent year exams.

PROCEDURE RESPONSIBILITY

The person in charge of all administrative procedure is Dr Stefania Milella, in compliance with the Law 241/1990, art. 4 and subsequent amendments and additions. Candidates have the right to access the acts of the admission procedure, in compliance with the terms and conditions of the existing legislation, as well as with the Law 241/1990 implementing the regulation, issued by the Rector Decree no.133, of January 26, 1995, and its subsequent modifications and additions.

DATA PROCESSING

The personal data provided by the candidate will be processed for the purposes of managing the admission tests to limited attendance degree courses. The processing of personal data will be carried out in an automated and manual manner and will be stored according to the terms of the law. The provision of data is mandatory and any refusal to provide such data results in the impossibility of evaluating the test. The data may be disclosed to third parties who will be in charge of their IT management and will be disseminated for the purposes and within the enrollment deadline. Candidates will be able to exercise their rights governed by sections 2, 3 and 4 of Chapter III of EU Regulation no. 679/2016 (eg.
